Blue Water Arts Council Supports STUDIO 1219's Fire & Ice Art Education Festival and Fine Arts & Crafts Fair

Port Huron – The Blue Water Arts Council has been very charitable in supporting Studio 1219's various endeavors. This has allowed Studio 1219 to host and help create a hands-on art education festival for this third consecutive year. The Blue Water Arts Council is a strong supporter of creative educational programming in the St. Clair County communities.

Fire & Ice is a well-received Art Education Festival that features art from the Earth and is being organized for September 12th and September 13th from 10 a.m. – 5 p.m. both days. It will take place two blocks east of Studio 1219 at Vantage Point, thus earning its tag line; *On the Water*. The Blue Water Arts Council along with other area organizations' financial support has made this festival possible for the entire community. The Educational Festival offers free children's activities, artists demonstrating various techniques in pottery, glass and wood arts, Clay Games that **anyone** can get involved in, and a Raku Pottery Yard where for just \$10 people can paint, finalize their piece and take it home. This year we are privileged to add theatre arts, emerging artists and young collectors' tents and expand a fine arts & crafts area. We are looking for artist vendors, sponsors and volunteers to help make this a well-rounded event.

Once more we would like to give our heartfelt thanks to the Blue Water Arts Council. For more information please contact Maureen Scallen, Educational Director, by phone (810) 984-ARTS or Maureen@studio1219.com
